To Whom It May Concern:

Assalam alaikum wa rahmatullah wa barakaatuhu.

This is to introduce our organization, Masjid Ibrahim located in Austin, Texas. We are a Federal non-profit 501(c) (3) tax-exempt organization (Tax ID #: 74-2967063). As part of the new Islamic Center Project, we are expecting to start phase 1 construction of our new facility in Q3,2011 insha'Allaah. After beseeching Allaahazzajala, we request our brothers who are in charge of other centers/Masaajid for financial assistance in the construction of this project.

Masjid Ibrahim was founded in 2001 in the southwest part of Austin, an area where no masjid existed previously. Since its inception, the number of worshippers continues to grow, especially at Jumua'ah and Isha prayers. This is in part due to the proximity of several large employers like Intel, Freescale, ARM, Cirrus Logic, Marvell and AMD.

"He who builds a mosque for Allaah, Allaah would build a house for him like it in Paradise." [Bukhaari & Muslim]

With Allaah's Help in the beginning and the end, it is through helping each other in Birr and Taqwa that we can succeed to establish

institutions based on the teaching of the great religion of Al-Islam, high above all other religions. Masjid Ibrahim urgently needs financial assistance to make this project a reality.

Islamic Loan

"Who is he that will Loan to Allah a beautiful loan? For Allaah will increase it manifold to his credit, and he will have (besides) a liberal Reward." [057:011]

We request permission from your center to permit us to make fundraisings to complete the construction for the New Islamic Center Project in Austin. Should you have any questions, please feel free to contact me.
